

Sura Job Quest

1. To be a Sura it starts by going to Veins Pub (veins 149, 218). Tak to Sludge Worm(ve_in 241, 128) inside. They're a bunch of show offs bullying a waitress in the pub until an Unknown Fighter will appear and break up the fight.

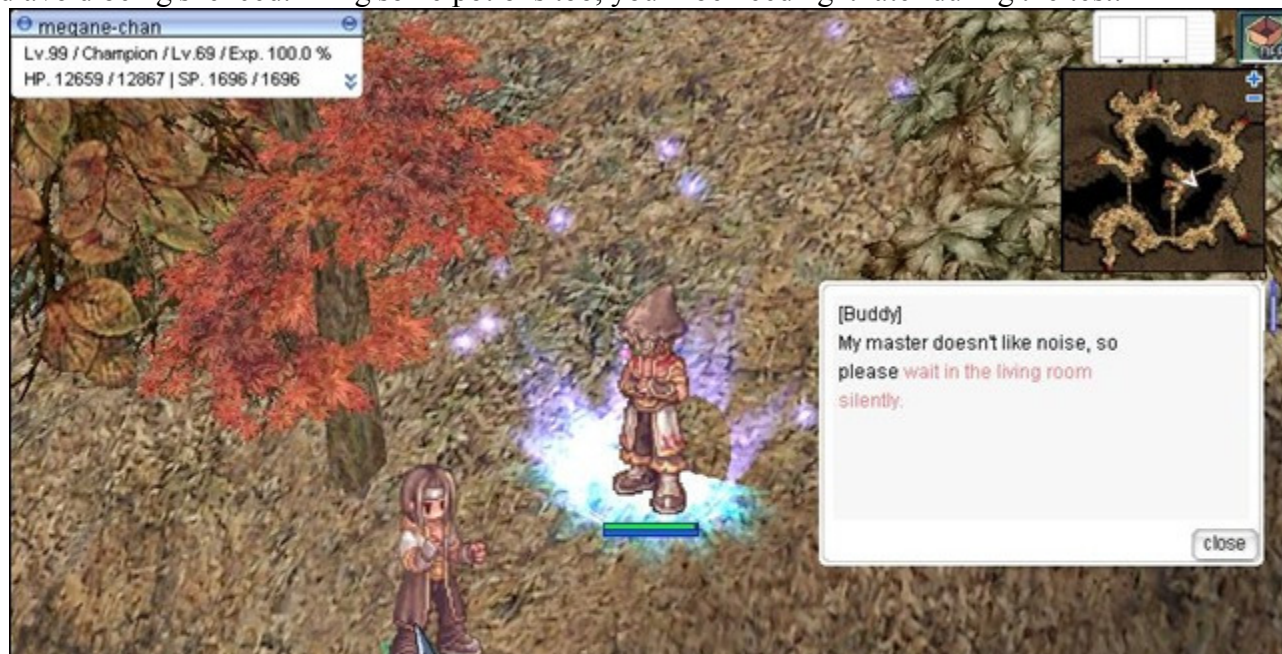

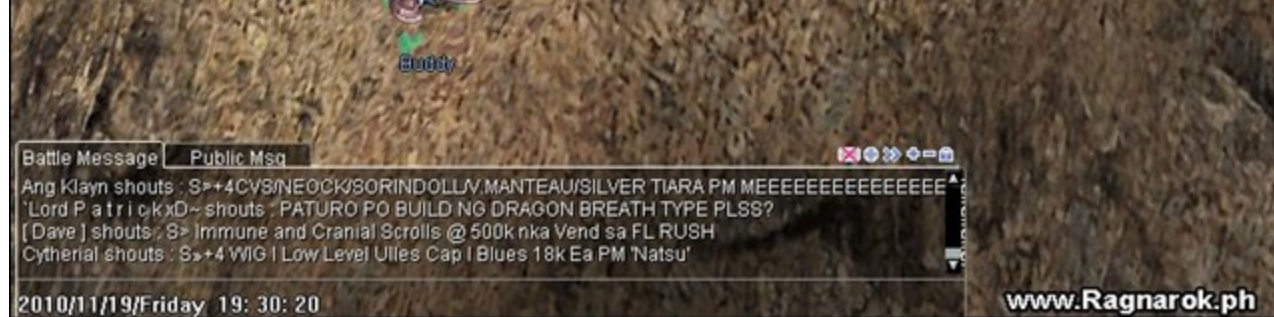

2. Go back outside and up the ramp to the upstairs building (veins 128, 237). Look for the Unknown Fighter who appeared in the pub. Go down stairs and upon moving closer a window will pop up. She will then tell you to kill 100 [Desert Wolves](#) to teach you here fighting skills. The best place to hunt Desert wolf is the map just outside Ice Cave (ra_fild1).

3. After killing 100 [Desert Wolves](#) go back to the Fighter. She will then tell meet [Buddy](#), a friend of here's at Juno Map (yuno_fild07, 254 176). You'll be passing by Harpies so just use Snap and avoid being silenced. Bring some potions too, you'll be needing it later during the test.

4. Buddy will then teleport you to the testing site. Enter the pub and survive for 5 minutes. Mobs of monsters will appear in the test. Incubus, Rybios, Skeleton Prisoners and Zombie Prisoners. A good tip to survive this test is hide behind the Pillar and use Raging Palm Strike in case they get close.
